**Rules for Facility Use
Faith Baptist Church
11 Glenridge Rd
Rexford, NY 12148**

Welcome to Faith Baptist Church. We welcome all visitors, and we sincerely hope you enjoy your experience here. We have outlined the following important rules to ensure that your use of our facilities is fulfilling, enjoyable, and safe.

1. Remember the church property is a place of worship, and should always be treated as one. If anyone makes a mess, please clean it up immediately. If it is not possible for you to clean up, notify staff.
2. All minors (under the age of 18) must be supervised at all times according to Faith's Child Protection Plan.
3. Use only the rooms you have been authorized to use on the approved Facility Use Form.
4. Alcohol and illegal drugs are forbidden anywhere on church property, both inside and outside the building. Use of tobacco products is prohibited inside the building.
5. For some events, you will be given a code for the key pad at the front doors (Bradt Rd Entrance) for entry. This is a temporary code that will be erased after the event. Please do not share this code with anyone outside your immediate party and helpers.
6. Visit the facility only when staff is present, avoiding non-business hours unless prearranged with our facility representative. Please notify the church (Facilities representative) in advance when you would like to be at the facility making preparations for your event. We need accurate times you will be at the church, including before and after the event, so we know when to expect you and when to lock up.
7. Always discuss the decoration plans with the Facilities Director or the custodian handling the event for approval before starting.
8. Outside vendors are not permitted at non-ministry events without specific approval of the Director of Facilities.
9. Review the evacuation plans in each of the rooms you will be using for the event, and let everyone know the location of emergency exits in case evacuation becomes necessary. Do not under any circumstances cover any doors, fire extinguishers, or emergency exits, exit signs, or any other safety equipment with decorations or equipment of any kind.
10. When leaving the facility. Make sure all the windows are latched and the doors are locked.
11. For weddings performed by non-Faith personnel, the following information is required:
 - Statement of Faith from pastor performing marriage.
 - Statement from pastor that he is conducting pre-marital counseling.
12. Any and all teaching on church property must be in alignment with the Faith Baptist Church Constitution.
