

Canceling Recurring Giving with Realm

If you share your giving with someone else, only the person who entered the scheduled gift can cancel it.

1. Go to onrealm.org
2. Enter your email address and password to sign on.
3. Click **Giving** in the main menu.
4. Click **Scheduled**.
5. Click **⋮** next to a scheduled gift, and select Cancel.
6. If you're sure you want to cancel, click Confirm.

We can also make changes in the office, if you'd like us to cancel your payment for you.
